Dear Mr. Alford,

**RE: U.S. CHAMBER OF COMMERCE'S AFRICA BUSINESS INITIATIVE:
TEA WITH AMBASSADOR**

I would like to take this opportunity to sincerely thank you for taking time out of your busy schedule to participate at the "Tea with Ambassador" hosted by the US Chamber yesterday, January 29th 2013.

This event allowed me to present the tremendous investment opportunities available not only in Kenya but in the East African region as a whole. Projects like the Lamu Port - South Sudan - Ethiopia Transport Corridor (LAPSSET) and Konza Technology City, which I briefly mentioned during our discussion, will undoubtedly bring progress and bridge countries like never before.

Kenya Government is working extremely hard to create a viable and enabling investment environment for investors.

Please do not hesitate to call upon my office for a bilateral conversation.

Yours Sincerely,

Elkanah Odemo
AMBASSADOR
