

We invite you to participate in our historical Trade Mission to the beautiful nation of Botswana. After a fabulous presentation by Ambassador Tebelelo M. Seretse at our 19th Annual Convention, we are excited and inspired to trail blaze the many opportunities that exist in this nation. We will be meeting decision makers and focusing in on the industries represented by our contingent.

During the mission we will spend two days on Safari at one of the greatest national parks in all of Africa. We will eat in luxury and view the Big Five (lion, leopard, elephant, rhinoceros and Cape buffalo) and many other species doing their natural activities. This will be an experience of a lifetime. You will canoe on a beautiful river. http://www.sa-venues.com/regions/botswana_tourist_attractions.htm

Botswana is a good place to start doing business on the African Continent. Of the 54 nations on the continent it has the highest business and political transparency ratings. You don't need to acquire a visa. Your US dollar is good. It has one of the highest GDP growth rates and privatization is in full swing. The people are all educated as school is provided free for all citizens - K – Bachelor Degree. Our small businesses would be considered big business in Botswana.

Madame Ambassador is personally handling our itinerary and will be present during all sessions. Follow up will be immediate and sincere.

This is an all inclusive trip and we are costing it out. It will be less than \$6,000 per person. As always, there is no registration fee for the NBCC. We are only holding 20 slots and it will be "first come, first serve". When we have twenty confirmations we will close the intake. We anticipate this happening during the next two weeks. It is high season for tourist hotels and rooms are in great demand.

The [tentative itinerary](#) will change as we tailor it to our confirmed participants. Those seriously interested in this opportunity should contact Kay DeBow immediately at kdebow@nationalbcc.org
